Musical Theatre: A Vocal Intro

Tuesdays, 7:00 – 8:30 PM

Singing for musical theatre is not just hitting the right notes, but selling the song! Students in this class will explore musical theatre songs, learn their singing range, and prepare a musical theatre piece for the showcase. This class will help to understand proper selection of music for auditions, how to develop a character in a 16-bar selection of music, and how to find comfortability on stage while singing. A good class for the beginner to the salted performer!

Taught by Mirela Ungureanu-Biser

Acting for the Camera, as taught by Darius Wallace, is an acting technique inspired by the 12 step audition process by Michael Shurtleff. In this class, students will learn how to apply this product-oriented acting technique to the camera. The 12 step class will offer students the ability to produce three dimensional performances in a naturalistic and dynamic way.
